

Soros' Sabotage Society

Soro's Reach (For those not familiar) He is the 'puppet master' of the new uniformed masses and is the single biggest contributor to drug liberalisation (among other things) in the world.

Chief anarchist and social engineer - he funds scores of 'regressive' groups globally.

No surprise for the initiated. However, for the clueless postmodern 'millennials', it is very much news. if they care to engage objectively that is?

The material you will see on the youtube video in email below must be taken in as it outlines just how far George Soros has gone, as he and other players set out to destroy Western Society and Christianity.

So much has been achieved by them already. You will recognise much of what they are doing, as it is happening right under our noses here in Melbourne.
